Dear Ms. Lee:

This is in response to your Freedom of Information Act request in which you requested SARA Form R for the East Helena site.

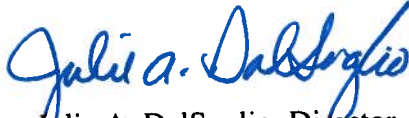

Debbie Clevenger of my staff contacted you on July 27, along with Barbara Conklin from the EPA Region 8 Toxics Release Inventory Program. Barbara explained to you how to find this information on line.

All data for the Toxics Release Inventory Program, (TRI)-(Emergency Planning and Community Right to Know Act Section 313), is publically available free of charge at www.epa.gov/tri or www.epa.gov/enviro.

There will be no charge for completing your request.

If you have any questions regarding this response, please contact Debbie Clevenger at 406-457-5004; if you have questions regarding the website, please contact Barbara Conklin at 303-312-6619. This concludes our responsibilities under the Freedom of Information Act.
